## Squad Leader Program

We appreciate our squad leaders!

### Team Tournament

\$2000.00 in Team Tournament Squad Leader Prizes!

In an effort to make our squad leader program easier to understand, we have revised it for the 2008-09 event. We have increased the award per team and eliminated the complementary entries into events. The new program works out to a better deal for those that work so hard to put together squads for our tournament.

All Squad Leaders of four or more teams are entered into our special squad leader event.

\$1000.00 in total prize money will be paid out to squad leaders during the months of December through February

and then again for the months of March through June.

Standing for this event is based on squad leader's individual three game series, including handicap, the day their squad bowls.

Prizes paid will be 1<sup>st</sup> \$500, 2<sup>nd</sup> \$250, 3<sup>rd</sup> \$150, 4<sup>th</sup> \$50, 5<sup>th</sup> \$50

Squad Level is determined by total teams brought to the tournament during the year.

Example: If you bring 12 teams to the tournament and bowl two shifts, you are counted as having 24 teams.

If you bring 12 teams in January and bowl one shift you are paid for twelve. If you return another weekend with 12 more, you are paid at the 24 team Level including additional money owed for the first twelve teams.

You must bring a minimum of four teams each time to count towards your squad total.
